RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT
(37 CFR 1.121)

Commissioner for Patents
Mail Stop: AMENDMENT
P.O. Box 1450
Alexandria, Virginia 22313.1450

Sir:

This paper is responsive to the February 24, 2006 Office Action. The Office Action indicated the response submitted on December 5, 2005 was non-compliant because of problems with the quality of the facsimile and a response was due within 1 month of the date of mailing of the Office Action, making this paper due on or before March 24, 2006. A copy of the December 5, 2005 response was transmitted to the United States Patent Office on March 6, 2006 along with a copy of the February 24, 2006 Office Action and the confirmation transmittal received is attached hereto. Applicants believe the facsimile submitted on March 6, 2006 should address the

technical difficulties noted in the December 5, 2005 response that was previously submitted.

However, to ensure the previously submitted response is received in a legible manner, a copy of the originally submitted December 5, 2005 response is being submitted with this paper and this copy and this paper are being mailed. No fees are believed owed with this response, however, the Commissioner is authorized to debit or credit our Deposit Account 19-0733 accordingly for any fees owed or for any overpayment made.

Respectfully Submitted,

BANNER & WITCOFF, LTD.
